Action: See below

1. It was recently noted in the preface of the "Monthly Acquisitions List of Maps of Foreign Areas" that some of the listed maps are KUBARK produced and described as "available as gifts." This fact was brought to the attention of the senior station liaison officer working on project [REDACTED]. He is eager to take advantage of the "gift" aspect in view of the difficulty of supplying acceptable "quid" for the [REDACTED] "quo" in this project.

2. Project [REDACTED] the primary [REDACTED] program of [REDACTED] collects information on Communist China and the Soviet Union. [REDACTED] need to keep abreast of latest developments in these [REDACTED] 25X1A2g and [REDACTED] has been passing many releasable materials to the [REDACTED] involved during the past two years. If additional amplification of [REDACTED] justification is required, it is suggested that contact be made with the [REDACTED] Branch, Far East Division.

3. It is requested that two copies each of 25X1A6a KUBARK-produced maps listed in Reference B be made available to the [REDACTED]
